Decision of the Council relating to an application for the approval of a plan of work for exploration for polymetallic sulphides by the Federal Institute for Geosciences and Natural Resources

The Council of the International Seabed Authority,

Acting on the recommendation of the Legal and Technical Commission,

Noting that, on 17 December 2013, an application for the approval of a plan of work for exploration for polymetallic sulphides was submitted to the Secretary-General of the Authority in accordance with the Regulations on Prospecting and Exploration for Polymetallic Sulphides in the Area¹ by the Federal Institute for Geosciences and Natural Resources, sponsored by the Federal Republic of Germany,

Recalling that, in accordance with paragraph 6 (a) of section 1 of the annex to the Agreement relating to the implementation of Part XI of the United Nations Convention on the Law of the Sea of 10 December 1982,² the processing of an application for approval of a plan of work for exploration shall be in accordance with the provisions of the Convention, including annex III thereto, and the Agreement,

Recalling also that, pursuant to article 153, paragraph 3, of the Convention³ and paragraph 6 (b) of section 1 of the annex to the Agreement, the plan of work for exploration shall be in the form of a contract concluded between the Authority and the applicant,

Taking note of the advisory opinion of the Seabed Disputes Chamber of the International Tribunal for the Law of the Sea of 1 February 2011,

1. *Takes note of the report and recommendations of the Legal and Technical Commission related to an application for the approval of a plan of work for*
