

Consultation on the draft Strategic Plan for the International Seabed Authority for the five-year period 2024-2028.

General questions

2. How do you think the Strategic Plan and associated High-Level Action Plan have contributed to fulfil the mission of ISA (as per the mission statement)?
3. To what extent do you think the work of ISA provides a useful model for sustainable management of the global commons as Steward of the Area and its resources?
4. What should be the priorities of the Authority for the next five years?

Specific questions

6. How do you consider that the context and challenges identified remain relevant? Should there be any new elements identified?
7. Are the “*Results and Priority Outputs*” appropriate and is there a clear link between the “*Strategic Directions*” and the “*Results and Priority Outputs*”?
8. Are there any specific observations or comments that Member States and other stakeholders wish to make in connection with any other aspect of the Draft Strategic Plan for 2024-2028?
